

2026 MIFA OLIE
Impromptu
“Dualism”

Round A prompt

“Life is full of dualities: night and day, black and white, yin and yang, good and evil, birth and death, love and fear. You can’t have one without the other. It takes two to create the magnetic pull to generate energy in the first place. This is the natural order: that everything, in contrast, hangs in perfect balance.”

— RuPaul, **The House of Hidden Meanings: A Memoir—The Transformational Power of Facing Yourself Fearlessly**
