

HIRED JUDGE CERTIFICATION FORM

MIFA rules require that all judges for this event have MIFA Individual Events Judge certification and be at least three years beyond high school (a high school graduate in June 2015, would be ineligible to judge a 2017-2018 tournament because he or she would not meet the three year criterion until 2019). In addition, judges should not be placed in assignments in which their personal, family, business, or financial relationships with contestants or their coaches would create an appearance of impropriety or bias. Should circumstances exist that could create an appearance of impropriety or bias, the judge should request an alteration in assignment. No individual affiliated with a participating school may serve as an adjudicator, unless unusual circumstances exist and all participating directors grant written approval to the individual.
