

**Middle Level Individual Events
State Tournament
May 2, 2026
Detroit Country Day School**

If you've found your way here, you've probably already seen what speech activities can do for kids.

Whether they're actors or arguers, poets or limited preppers, there's no skill like public speaking to prepare young people for the future.

When you **Give the Gift of GAB**, we can lower barriers to participation, offer more webinars & workshops for coaches & students, and with your support we've made First Year School Memberships just \$1!

DONATE DIRECTLY

Use our PayPal link to donate directly to MIFA, helping us continue to run tournaments across the state of Michigan.

Our Mission

The Michigan Interscholastic Forensic Association empowers students to become proficient and ethical communicators, critical thinkers, lifelong learners and leaders in a democratic society through interscholastic speech, theater and debate activities for middle and secondary school students.
